We value:

Collaboration
We value creative, team-based, interdisciplinary, and multidisciplinary approaches to improve the public’s health.

Community Engagement
We value public engagement and work with communities to build and foster lasting relationships.

Diversity
We celebrate the value of multiple backgrounds, views, and orientations to meet the public health needs of all population groups.

Innovation
We embrace idealism, excellence, entrepreneurship, and creativity to generate solutions that improve the health and well-being of all.

Professionalism
We follow a code of conduct guided by integrity, ethical standards, and respect for others.

Health Equity
We believe that all people have the right to live in environments that optimize health and well-being.

Social justice
We advocate for fair and equitable opportunities for all members of society.
