Student Information

Before you can start the criminal background check process you must first be given authorization. To do this, your program coordinator will provide Ashley Lopez in the CHHS Advising Center with your name, student ID, date of birth, and UNC Charlotte email. This information will then be sent to Certiphi Screening. They will then notify you by email that you’ve been authorized to complete the criminal background check and will provide you with instructions on how to continue the process.
